SEVEN MEDALS TO CHRIST CHURCH CHOIR BOYS

Five for Three Years' Service and Two for Six Years—Joseph O. Hull on Honor Tablet.

The annual choir service and festival by Christ church boys' choir was given on Sunday evening at the church by a congregation that filled the body of the edifice and heard with pleasure the admirably rendered programme given by the choir in the production of the cantata, "St. Paul."

The service of evening prayer was read by the rector, Rev. Richard E. Graham, who also made the announcement of the award of medals which are an annual feature of this service. He made also a brief expression of the obligation which the congregation felt towards the boys of the entire choir for their faithful and successful work through which the entire service of the church was made more fitting and pleasing for the worshippers.

The silver medals for three years' faithful service were awarded Joseph H. Hale, Lloyd G. Hall, George Bartlett, Richard Bradford and George Sanders. As their names were called by the rector the boys stepped forward and the medals were pinned on by Choir Director Habetkott.

For six years' faithful service, two boys, Ralph Day, William and Bruce Sedgwick McMillan, received the customary gold medal.

The signal honor awarded each year of place upon the tablet at the rear of the church indicating the boy who was considered to have done the best work and to have had the best influence in the choir for the year was given to Joseph O. Hull, his name will make the tenth upon the tablet, which are the following:

Walter Otto Krohn, 1903; Norbert Arthur Schmitt, 1904; Frank Allen Wilson, 1905; William Norman Lathrop, 1906; Joseph Christopher Worth, Jr., and Frederick Pettigrew Church, 1907; Frank Winter Lovell, 1908; E. Russell Smith, 1909; Carl Edward Kinney, 1910.

The offering was for the choir fund and the service concluded with selections from the organ and choir in which the singers, under the direction of Choirmaster W. F. Habetkott, did splendid work, with recitative taken by Walter Krohn, tenor, in particularly pleasing voice and execution and the bass solo well rendered by J. B. Jackson.

The altar was decorated with crimson ramblers roses and each of the choir boys wore a corsage on his white surplice, while the two leaders in the processional wore large bouquets of the roses.

RECORD YEAR MADE IN FIRE DEPARTMENT

30Yr Closed Sunday Night Showed Less Than \$9,000 in Total Losses.

Sunday night closed the year for the Norwich fire department and brought the twelve months to a close with the smallest record of fire losses in the history of the department.

Since the department was organized in 1880, the smallest record of fire losses has been in charge. The total losses for the year will be less than \$9,000, while the highest, that in the last dozen years has been in 1907, when the total loss was \$39,120.

For the last five years the losses have been as follows: 1907—\$39,120; 1908—\$24,322; 1909—\$24,322; 1908—\$25,325; 1907—\$24,322.

The number of alarms has been 150, as compared with 165 last year, which was the greatest number in Chief Stanton's record of 12 years.

In June there were 18 calls for the department, 4 bell, 8 telephone and 6 still alarms. The bell alarms were from box 42, box 27 (twice) and box 24. The total loss for the month will probably not exceed \$250.
